

TO: Applicants for New Allotment Base

To qualify for Allotment Base as a new grower, you must apply on the form on the reverse side of this notice. **The form must be filled out completely or it will not be included with the eligible growers.** In keeping with the stated intent of the Order in Section 985.153(c), the Committee must determine whether or not the applicant has the ability to produce spearmint oil. To be eligible as a new grower, there are several requirements that must be met. **If you would be disqualified for *any one* of the following, *please do not apply.***

1. The applicant must not now be, nor, in the past, have been, involved in the ownership of base. (i.e. - a part of a corporation, partnership, or any other business entity that has owned, or currently owns base)
2. *The applicant must be able to show present involvement in farming. (i.e. They must already have their own capital at risk and be involved in the day to day activities associated with their own farming operation before they can apply for spearmint base). They must be able to produce the appropriate class of spearmint oil and, if requested, be able to submit evidence showing that they will have a proprietary (financial) interest in the production of the oil.*
3. The growers who are drawn for new base will have *to have NEW acres planted* by the spring of 2023. This means they must obtain roots and plant new acres, or, in some cases, they may have to be involved in a root propagation program which will allow them to expand to the needed acres – depending on the availability of rootstock. The Marketing Order requires that the production of this spearmint be independent of any other producer. It is important that applicants carefully consider their ability to produce their own oil by next year. Failure to do so could result in the loss of their base.
4. **Only one applicant per business unit.**
5. The applicant must be a citizen of the U.S.
6. The applicant must be 18 years of age or older.
7. Pursuant to Section 985.153 (d) of the Marketing Order, the person receiving any additional allotment base pursuant to this section shall submit to the Committee, evidence of an ability to produce and sell oil from such allotment base in the first marketing year following issuance of such base. The Bona Fide Effort rule does not apply towards the five (5) year production requirement of new producers. New producers must keep their issued (drawn) allotment base for at least five (5) years before they can transfer this base. In years where new producers are unable to provide evidence of an ability to produce and sell oil from their drawn allotment base, using the Bona Fide Effort rule, these years will not count towards the five (5) year production requirement.

ALL APPLICANTS WILL BE CAREFULLY SCREENED PRIOR TO THE DRAWING. THOSE NOT MEETING THE BASIC REQUIREMENTS AS STATED ABOVE WILL BE NOTIFIED OF SUCH AND TAKEN OUT OF THE LOT. THOSE APPLICANTS THAT ARE DRAWN WILL BE CHECKED MORE CLOSELY, AND IF IT IS FOUND THAT THEY DO NOT MEET THE REQUIREMENTS, THEY WILL BE DEEMED INELIGIBLE FOR THE NEW BASE. IF THE APPLICANT IS DEEMED INELIGIBLE, THE COMMITTEE MAY REDRAW THE BASE FOR THAT REGION.

If you have any questions concerning the application or drawing, please call the committee office at 1-509-585-5460.

All applications must be submitted to the office by July 29, 2022. The drawing will be held August 12, 2022, at 11:30 a.m. at the Committee office at 6601 W. Deschutes Ave., Suite C-2 Kennewick, WA 99336.

Thank you, - Shane Johnson, Manager
